

## Capability Statement

### International Police Training and Consulting Services, LLC

IPTACS 500+ Senior Training and Consulting Associates bring an innovative and comprehensive approach that includes training programs that:

- are customized and represent the values, resources, environment and constraints of all stakeholders;
- promotes organizational sustainability through policy and regulation development; supervisory/management requirements; and future in-service/recertification needs; and
- insures organizational independence through quality train-the-trainer courses and training curriculum which represents the criminal justice system's best practices.

Government agencies with responsibility to provide services that support the rule of law; strengthen international security; and stabilize new democracies will embrace the service differentiators IPTACS offers that includes a cost effective training model and consulting services.

#### Training Staff:

IPTACS Senior Training and Consulting Associates represent some of the most highly qualified and experienced criminal justice educators and trainers in the world. Almost 75% of IPTACS trainers have four year college degrees with most having masters or doctorate degrees. As leaders in the field of criminal justice research and development many have authored scholarly publications and made presentations at symposiums and conferences throughout the world. Over 25% of our Associates are full professors or adjunct professors educating future criminal justice leaders at colleges and universities. All Senior Training and Consulting Associates have a minimum of ten years recent operational SME experience and at least three years training experience in their specialty areas.

#### International Experience:

IPTACS Senior Training and Consulting Associates have trained and consulted in over eighty countries throughout the world for organizations such as the United Nations, U. S. Department of State, Justice Department, and USAID.

## Senior Management:

IPTACS has twenty-three Senior Managers as part of its senior management team with an average of 28+ years of law enforcement experience with a major metropolitan law enforcement agency and 16+ years of training experience both nationally and internationally.
